

Looking for a doctor?

Finding one online is fast and easy

Use our online **Find a Doctor** tool to look for doctors, hospitals, labs and other health care providers in your Anthem Blue Cross and Blue Shield plan. Check if your favorite doctor is part of your plan, or look for one near you. Avoid getting care from doctors outside of your plan if you can — it will cost you more or your plan may not cover it all.

Here's all you need to do:

1 If you're a member

Go to anthem.com, select the member icon  and log in.

Under *Useful Tools* on the right, select **Find a Doctor**.

1 If you're not a member yet

Go to anthem.com.

Select **Menu**  and then choose **Find a Doctor**.

Next, select a type of doctor, place or name. Select **Search**.

First answer a few questions, so we can help find you the right plan and doctor in your plan. Then enter or select the plan/network*.

Next, select a type of doctor, place or name. Select **Search**.

3 Select a doctor to see more information, such as:

- Training
- Specialties
- Languages spoken
- Address (including a map)
- Phone number

Going mobile

Use your mobile device to search for doctors, hospitals and more with our free app from the App Store® or Google Play™. Just search for Anthem Anywhere and download the app.

*If you don't know the name of the plan or network, check with your human resources department or benefits administrator.
