The Weight Center can guide you in the right direction

We know keeping a healthy weight can be a struggle — especially when life gets busy. And it's about feeling good, not just a number on a scale. Weight issues put you at greater risk for serious health conditions, like heart disease and diabetes, and can affect your quality of life.

That's why Anthem Blue Cross and Blue Shield is proud to introduce *The Weight Center*, a dedicated page on anthem.com that houses lots of no-cost resources and information to help you manage your weight.

The Weight Center includes:

- An interactive and printable *Weight Management Playbook*, with sections on "Fitness," "Nutrition" and "Well-being"
- A list of eligible weight management programs
- *WebMD*[®] tips on getting active, healthy eating, improving your sleep and energy levels, and reducing stress
- Special Offers discounts on fitness and health items, such as Garmin fitness devices
- A link to a fun, upbeat Health Heroes radio station at Pandora[®] for motivational workout tunes
- A body mass index (BMI) calculator to measure your body fat based on height and weight
